

Dear FCC Chair: Michael Powell,
As American citizens, we need to hear and consider a variety of opinions to make our democracy strong.

The FCC is mandated to protect citizens' communication rights. Do not lift the ban on cross ownership of newspapers and TV stations. Having one or two cable companies dictating the content of our programming and internet cable choices. Do not overturn the limits on cable system ownership! Do your job and stop media monopolies from destroying our democracy.

Sincerely, Carol S. Grier
